Magic Carpet Snacks

Your kids will leave you asking for more of these yummy little snacks!
And they are as easy as 1,2,3.

Ingredients:
Cruskits
Yogurt (I used Boysenberry, but any yogurt of your choice)
Blueberries
Strawberries
Pineapple (for the tassles)

How to make them:
Simply lay the cruskits on a plate.
Layer with yoghurt.
Top with Blueberries and Strawberries.
Then, finish with little Pineapple triangles on each corner.

My kids certainly did not stop at one each and I bet yours won't either!

Enjoy xx
